HOW TO INSTALL SHARP PRINTER DRIVER ON MY COMPUTER?

1. Go to GLOBAL SHARP OFFICIAL DRIVER DOWNLOAD page by click on the URL below.

https://global.sharp/restricted/products/copier/downloads/select_us_driver.html

The screenshot shows the Sharp website's driver download section. At the top, there's a navigation bar with the Sharp logo and links for 'About Sharp', 'Investor Relations', 'Social & Environmental Activities', and 'Brand'. On the right, there's a 'Choose your region site' button and a search icon. The main content area is titled 'Digital MFPs / Printers' and has a 'Downloads' tab selected. Below this, there's a 'Driver Downloads' section with a search bar and a language dropdown set to 'English(US) / English'. A form with four steps is visible: (1) Select Country/Region (Asia), (2) Select Category (ALL), (3) Enter Product Name (MX-8071), and (4) Select Language of Driver/Software (US English). A 'NEXT' button is at the bottom of the form. On the right side, there's a 'Downloads' sidebar with links for 'Brochures', 'Drivers', 'Software', 'Applications', and 'AR Markers'. The footer has three links: 'Products (for consumers)', 'Products (for business)', and 'Support'.
